Mr. John H. Gibbons, Director  
Office of Technology Assessment  
Congress of the United States  
Washington, D.C. 20510

Dear Mr. Gibbons:

Thank you for your letter of 25 February 1986 requesting assistance in the design, inspection and certification of an accredited group of rooms where the Office of Technology Assessment may store, discuss, and/or electronically process SCI material.

On 21 February 1986, a member of our Office of Security visited with Mr. Tom McGurn, of your staff, and surveyed the area in question. We will shortly provide Mr. McGurn with a memorandum outlining the changes required to comply with the specifications of a Sensitive Compartmented Information Facility. We will continue to work with Mr. McGurn throughout this project.

Sincerely,

*David D. Gries*
